

Carlisle Infant School

5th June 2025

Dear Parents/Carers,

I am delighted to welcome everyone back for what promises to be an exciting and productive final half term of the academic year.

Our pupils have returned with enthusiasm and are ready to embrace the new learning experiences and various exciting opportunities that our summer term offers.

This morning, I had the pleasure of observing a class of Year 2 pupils as they developed their understanding of subordinate conjunctions in their writing. Witnessing their engagement with these more complex grammatical concepts was a great reminder of the remarkable progress they have made since those first tentative days in Reception. The transformation in their confidence, skills, and understanding fills me with immense pride in what our pupils achieve during their time with us.

We would like to wish many of our families and very happy Eid for tomorrow and share that June marks Pride Month where we celebrate the variety of families that make up our wonderful school community.

The summer term ahead is packed with activities and events that will provide rich learning experiences for all our pupils. These opportunities will not only consolidate the knowledge and skills they have developed throughout the year but also create lasting memories of their time at Carlisle Infant School.

I encourage all families to review the important dates section later in this newsletter to ensure you do not miss any of the exciting events we have planned

School Absence-Important Procedures

Please could all parent/carers ensure **they let the office know every day by 9am** if their child is unwell and the nature of the illness. Medical evidence may be required for absences longer than 5 days and when attendance falls below 90%.

Please also provide written proof of any appointments and advise whether your child will be requiring a school meal.

May we also remind you that if your child has vomiting and/or diarrhoea, you must wait **48 hours** from the last episode before bringing your child back to school.

We receive a lot of queries regarding this rule and there seems to be some confusion. To help clarify, please see the link below to the NHS guidance. <https://www.nhs.uk/conditions/diarrhoea-and-vomiting/>

Cool Milk

There are a number of children who are refusing milk at break time. If your child is 5 years or older and you are paying for their milk, please have a conversation with your child to see whether they still require milk? If you wish to cancel your subscription you will need to contact cool-milk.com

Please note that the cut off time each week is a Tuesday, for the following week.

Our milk supplier has recently changed the packaging of the milk from cartons to plastic bottles which are not as popular with our children. We have contacted the supplier to see whether the cartons could be brought back but unfortunately they have advised us that the bottles are here to stay and they are not able to change to cartons!
