Newsletter

12th March 2026

Dear Parents and Carers,

Today, our pupils had their termly opportunity to participate in excellent dance workshops led by Don Rae. These sessions, generously funded by the CSA, focused on the theme of Spring. It is always such a joy to see the children thrive as they express themselves!

Our Year 2 children are looking forward to their trip to The Tower of London next Friday and the workshop about the Fire of London.

Next week will be Neurodiversity Celebration Week, recognising and embracing the diverse ways our pupils think, learn, and interact. This initiative aligns perfectly with our commitment to fostering an inclusive environment for everyone.

Next Friday, 20th March will be Comic Relief (For children in Y1 & YR). Your child is to come to school in school uniform with a red accessory if they wish. If you would like to make a donation to this charity, please donate via your Arbor account.

The booking for the Summer term afterschool clubs will be available on the website from 7pm this evening. Please contact the club directly if you have any questions. The link is attached for your information. [Carlisle Infant School | Extra Curricular Provision](#)

The only clubs open to reception children are Boundless Drama, Boundless Dance and Playball.

There will be a new lunch menu from the 13th April 2026. The menu is attached below for your information. Please can we ask all parents to submit their child's lunch choices which must be done each half term.

Thank you for your continued support.

Mr Wells Head of School

Year 2 – Tower of London Trip

The Year 2 team are looking forward to their trip to The Tower of London next Friday. **Please remember your child must be at school by 7.40am ready for an 8am departure. Your child must wear full school uniform (with trainers instead of school shoes if they wish) and please remember to bring a packed lunch.**

Lateness

We have been looking at the children who are persistently late. Punctuality is very important. Every minute counts at Carlisle, and learning begins the moment pupils settle into their classrooms. **Our school day starts at 8:45am, with gates opening at 8:40am.** We understand local traffic can be challenging, which is why we offer a Breakfast Club for those children who's parents may need to get children in before the morning rush. We will be more actively recording children who come in late in the mornings and asking for reasons to be given moving forward.

Some parents will be receiving e mails regarding this matter.

If you think a child is in immediate danger you should call 999.

News/Information/Reminders

Early Pick Up-Last Day of Half Term

We understand that sometimes there are circumstances that require pupils to leave before the end of the school day. However, we have noticed an increased number of parents wishing to collect their children early on the last day of each **half term**. Unfortunately, this causes significant disruption to both the school office and class teachers.

Therefore, please note that any collection earlier than the agreed dismissal time during the afternoon session, will be marked as an unauthorised absence unless it is for a medical appointment with evidence provided.

Thank you for your cooperation.

Vomiting/Diarrhoea or High Temperature

Reminder-Please remember if your child has had **vomiting and/or diarrhoea** then your child must remain off school for **48 hours**, from either the last episode of vomiting or diarrhoea.

Due to updated advice from Public Health England, regarding high temperatures, if your child is well and no longer has a high temperature (without needing Calpol/ibuprofen medication), they are welcome to return to school.

Coats!

Please can we ask parents to ensure your child brings a warm /waterproof coat to school **every day**.

Also please make sure your child has everything with them for the day, ie, packed lunch/book bag/water bottle etc. The office is very busy and items brought in will not be taken to your child immediately!

Important re Packed Lunches & Afterschool Club Snacks!

Please can we remind all parents **not** to put chocolate snacks into lunch boxes. Also if your child is bringing in a snack to have before an afterschool club, please give them something small and no chocolate or nuts please. Thank you.

Cool Milk—Reception Children-IMPORTANT INFO

Please remember that all children under the age of 5 will receive free Government funded milk. **When your child turns 5, or if they are already over the age of 5, you have the option to pay for their milk directly through Cool Milk.**

If you would like your child to receive milk, then please visit www.coolmilk.com and select “register your child for milk here” then follow the on-screen instructions to register and pay.

Please be aware the cut off date is Tuesday for milk orders to commence the following week. All parent/carers must contact cool milk if they have any problems.

Important If your child is no longer wishing to have the milk that you are paying for, please log into your account with Coolmilk.com and cancel.

Have your say on local care and support

Kingston Council is developing its Adult Social Care plan for the next three years and wants to hear from residents about what matters most to them.

The survey is open until 23 March and welcomes responses from people who use Adult Social Care, have used services in the past, care for someone, or may never have needed support.

The feedback will help shape priorities and how services put residents at the heart of what they do.

The survey is available online, if you need information in a different format email engagement@kingston.gov.uk or call 020 8547 5000 and ask for a member of the Engagement Team to call you back.

Free training, upskilling and new employment opportunities

Are you a parent who wants to get back into work and have a flexible job which supports demands of childcare?

Parenting Neurodivergent Children Understanding ADHD, Autism & Everyday Challenges

A two-hour evening in-person workshop for parents

Led by Kerry Haylock

MSc Psychology | PGCE Secondary Science | Attachment-informed practice

Parenting a neurodivergent child can feel confusing and exhausting — particularly when behaviour doesn't respond to traditional approaches.

This workshop offers a clear, practical overview of:

- ADHD and autism characteristics
- Executive function and sensory differences
- Masking and after-school collapse
- Differences often seen in girls and boys
- School challenges and anxiety
- Attachment-informed strategies and nervous system support
