Newsletter

17th July 2026

Dear Parents/Carers,

As we reach the end of another busy and rewarding year, I wanted to take this opportunity to reflect on the many highlights that have taken place across our federation and to share my gratitude for the tremendous efforts of our entire school community.

This is a time of transition for us. We are saying goodbye to some wonderful pupils who are moving on to their next chapter, and we are equally excited to welcome the new families who will be joining us in September. These moments remind us of the special journey that each pupil undertakes with us, and we wish all those leaving every success in their future endeavours.

The creative talents of our pupils have been on full display this term. The Year Two summer show and the Year Six production of Gigglebox were both truly fabulous occasions. These performances showcased the remarkable singing, dancing, and acting abilities of our pupils, alongside the impressive prop-making skills that went into bringing these productions to life. It was a privilege to witness such confidence and creativity on stage.

Beyond the arts, our pupils have also demonstrated exceptional entrepreneurial spirit. The Fiver Challenge, led by our Year Six pupils, resulted in an incredible £900 being raised. This initiative not only showcased their business acumen but also their generosity and commitment to making a positive difference.

I must also take this moment to bid farewell to valued members of our staff. At Carlisle Infant School, we extend our gratitude and best wishes to Mrs Mares, our Turtle Class teacher, Mrs Zeb, and Mrs U as they embark on their new adventures. At HHJS, we say thank you and goodbye to Liz Humphries, our music teacher, and Nina Stone, Welfare Assistant, as they move on to new opportunities. We are deeply grateful for the contributions they have made to our schools.

The academic outcomes across our federation this year have been truly outstanding. In Reception, an amazing 94% of pupils achieved a good level of development, with an impressive 98% meeting the expected standard in the phonics check in Year One. These results significantly exceed both national and local authority averages. In Year Four, our multiplication tables check results were exceptional, with 86% of pupils receiving full marks and 96% scoring at least 22 out of 25. Our Year Six pupils have also performed exceptionally in their SATs, with 94% meeting the expected standard in reading, 89% in writing, 96% in maths, and 93% in science. These strong results once again place HHJS well above local authority and national averages.

None of this would be possible without the amazing staff team across both schools and I would like to take this opportunity to thank them for their unwavering commitment and hard work throughout this year.

Finally, I would like to thank our incredible CSA and HHJS PTA, whose fundraising efforts make a genuine difference to our pupils' experiences. On behalf of all the staff and myself, thank you for the kind words, cards and gifts we have received over the past few days. Your generosity and encouragement mean a great deal to us all.

I would like to wish all of our families a restful and well-deserved summer break.

Ms Zoe Brittain-Federation Headteacher

3-minute call to action: Help protect our nature and vital sewer system

We want to hear from you! This survey about used cooking oils and fats aims to collect insight from households to help develop a local used cooking oils and fats collection and recycling project.

For parents:

£15 million worth of pipe damage occurs annually due to oils and fats going down the drain.

They cause 'fatbergs,' sewage blockages, and sometimes redirect foul water back up into our road. They can also decimate our rivers and natural landscapes.

Habitats and Heritage are working on a project looking at people's behaviours and attitude towards potentially recycling used cooking oil and fats with the hopes of developing a local collection and recycling system for this form of household waste.

We want to hear from families through a short, 3-minute form: [Used Cooking Oil and Fats Survey – Fill in form.](#)
