

CARLISLE INFANT SCHOOL | YEARS 1 + 2

Afterschool Code Club

In our Autumn term we dive into the world of **STOP MOTION ANIMATION!**

This course empowers teams to take their ideas from concept to screen. Using first digital characters, then toys as their cast, participants will collaborate to develop engaging storylines, meticulously animate each scene, and combine their efforts into final, polished video productions. The course culminates in an exciting screening where teams showcase their creative achievements.

Each team will come up with their own characters. In the first term these are created digitally using our dedicated platform. After half-term they will use real characters, from our collection of toys, or their own Lego characters brought in from home for the sessions. They create their own storylines and work to animate it together before we add the special effects for the great unveiling on the final week. Teamwork, creativity, special effects and laughter.

**“You can’t use up creativity.
The more you use, the more you have”**

DATES

Fridays
25th Sep - 11th Dec

TIME

3:15 - 4:15 PM

PRICE

£ 112.20
for 11 weeks of
fun learning
