

HAMPTON HILL JUNIOR SCHOOL

Afterschool Code Club_

The term starts with **GAME DESIGN!** Become a 2D Game Master! In this course, you're not just playing games – you're designing and building them from the ground up, just like real game developers! Imagine crafting your own pixel art characters – heroes, villains, monsters, you name it! You'll dive into the world of code to bring your creations to life with incredible game behaviours. You'll learn the secret steps that pros use to make the games you love. Think logically, solve coding puzzles, and unleash your creativity to build a unique 2D game that's totally yours. Ready to go from gamer to game creator?

Second term is **RETRO GAMING!** Unleash your inner game developer! At Code Club, you won't just play classics like Pong, Asteroids, Space Shooter, and Doodle Jump – you'll rebuild them and then remix them into something totally NEW and AWESOME!

**“You can’t use up creativity.
The more you use, the more you have”**
