

HAMPTON HILL JUNIOR SCHOOL | YEARS 3 - 6

Afterschool Code Club

Our first term kicks-off with a dive into the world of **STOP MOTION ANIMATION!** This course empowers teams to take their ideas from concept to screen. Using toys as their cast, participants will collaborate to develop engaging storylines, meticulously animate each scene, and combine their efforts into a final, polished film. The course culminates in an exciting screening where teams showcase their creative achievements.

NEW

Second term is **ROBLOX GAME DESIGNERS!** Build your own Roblox game safely in the brand new Jam Coding after-school club! Create your very own crazy obby, adding features you like: collectable coins, lava to dodge, secret doors, platforms to ride, or even a maze! The best bit? You will get your very own Roblox character and actually step inside your created world to play your game, so will your friends! We build Roblox games safely in play mode, so it's all about having fun, whilst learning code to become a game developer.

**"You can't use up creativity.
The more you use, the more you have"**

DATES

Fridays
9th Jan - 20th Mar

TIME

3:30 - 4:30 PM

PRICE

£ 102.50 for 10 days
of fun learning
