## Newsletter

29th January 2026

Dear Parents and Carers,

We have already been back at school for one month and the term is proving to be very busy. The Reception children were excited with the visit from the London Fire Brigade, and a parent GP who came with her life size skeleton, sheep's eyes, and a pig's heart. The children listened to each other's heart beats and learnt some CPR. This is part of the reception curriculum regarding people's jobs in the community who help us.

We have also had our therapy dog Luna visiting this week and children have been visiting her in the library.

As we continue this busy term, please see the diary dates on the next page regarding all the forthcoming events taking place in the run up to Easter. Thank you to all parents who offer to help with assisting on trips.

Mr David Wells

Head of School

### Vomiting/Diarrhoea or High Temperature

Reminder-Please remember if your child has had **vomiting and/or diarrhoea or a high temperature** then your child must remain off school for **48 hours**, from either the last episode of vomiting or diarrhoea or once their temperature has returned to normal.

Please note this is in line with the guidance from the NHS.

Thank you for your support.

### Important re Packed Lunches & Afterschool Club Snacks!

Please can we remind all parents **not** to put chocolate snacks into lunch boxes. Also if your child is bringing in a snack to have before an afterschool club, please give them something small and no chocolate or nuts please. Thank you.

### Inconsiderate Parking

Please can all parents be mindful of where they park! Please do not obstruct resident drive ways and please note that parking on the zig zag lines near the zebra crossing is not only dangerous but illegal.

**May we also remind you that no parents or carers are to park the staff car park at any time without permission from the school.**

### Coats!

Please can we ask parents to ensure your child brings a warm /waterproof coat to school **every day**.

Also please make sure your child has everything with them for the day, ie, packed lunch/book bag/water bottle etc. The office is very busy and items brought in will not be taken to your child immediately!

### **5 things to do to help manage winter illness**

It's important to be aware of the winter illnesses currently circulating. A few simple habits can help keep children, families and classrooms healthy.

[The latest UKHSA blog for schools and parents/carers](#) includes health messaging on staying home when unwell, hand hygiene, catching coughs and sneezes, getting vaccinated, and using NHS resources for more information about winter illnesses.

### **Whatever you're into, read into it. Discover your local library**

The NYR campaign seeks to reach audiences through their interests, passions and things that are important to them, connecting people to reading in this way. Libraries are trusted, local and built for discovery. We offer free access to stories and information in every format imaginable, welcoming spaces where people feel safe, and the support that helps hesitant readers grow in confidence.
