ANTI BULLYING POLICY

This policy is based on DfE guidance [“Preventing and Tackling Bullying”](#) July 2017 and supporting documents. It also considers the DfE statutory guidance [“Keeping Children Safe in Education”](#).

Policy Objectives

- This policy outlines what the Carlisle and Hampton Hill Federation schools will do to prevent and tackle all forms of bullying.
- Carlisle and Hampton Hill Federation schools are committed to developing an anti-bullying culture where the bullying of children, young people or adults is not tolerated in any form.

Links to Legislation

- There are several pieces of legislation which set out measures and actions for schools in response to bullying, as well as criminal and civil law.

These may include (but are not limited to):

- ✓ The Education and Inspection Act 2006, 2011
- ✓ The Equality Act 2010
- ✓ The Children Act 1989
- ✓ Protection from Harassment Act 1997
- ✓ The Malicious Communications Act 1988
- ✓ Public Order Act 1986.

Responsibilities

- It is the responsibility of:
 - ✓ The Federation Headteacher and Heads of Schools to communicate this policy to the school community, to ensure that disciplinary measures are applied fairly, consistently and reasonably, and that a member of the senior leadership team has been identified to take overall responsibility.
 - ✓ Governors to take a lead role in monitoring and reviewing this policy.
 - ✓ All staff, including governors, senior leadership, teaching and non-teaching staff, to support, uphold and implement this policy accordingly.
 - ✓ Parents/carers to support their children and work in partnership with the school.
 - ✓ Pupils to abide by the policy.

Definition of Bullying

- Bullying can be defined as *'behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally'*. **DfE 'Preventing and Tackling Bullying, 2017**

This is communicated and known by the children using the acronym **'S.T.O.P.' (Several Times On Purpose)**

- Bullying can include physical and emotional abuse such as name calling, taunting, mocking, making offensive comments, kicking, hitting, taking belongings, producing offensive graffiti, gossiping, peer isolation (e.g., excluding people from groups) and spreading hurtful and untruthful rumours.
- The same unacceptable behaviours can be expressed online; this is sometimes called online bullying or cyberbullying. Specifically, this can include sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.
- Carlisle and Hampton Hill Federation schools recognise that bullying can be emotionally abusive and can cause severe and adverse effects on children's emotional development.
- Bullying is recognised by the Carlisle and Hampton Hill Federation schools as being a form of child-on-child abuse; children can abuse other children.
 - ✓ Abuse is abuse and it should never be tolerated or passed off as "banter", "just having a laugh" or "part of growing up".
 - ✓ We recognise that even if there are no reports of bullying, it does not mean it is not happening and it may be the case that it is just not being reported.
 - ✓ All victims will be taken seriously and offered appropriate support, regardless of where the abuse takes place.

School Ethos

- Carlisle and Hampton Hill Federation schools' community recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing.
- By effectively preventing and tackling bullying our school can help to create a safe and disciplined environment, where pupils are able to learn and fulfil their potential.
- Our community:
 - ✓ Understands the importance of challenging inappropriate behaviours between peers.
 - ✓ Monitors and reviews our anti-bullying policy and practice on a regular basis. ✓
 - Supports staff to promote positive relationships to help prevent bullying.
 - ✓ Recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
 - ✓ Will intervene by identifying and tackling bullying behaviour appropriately and promptly. ✓
 - Ensures our pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy. ✓
 - Requires all members of the community to work with the school to uphold the anti-bullying policy.
 - ✓ Recognises the potential impact of bullying on the wider family of those affected so will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.
 - ✓ Will deal promptly with grievances regarding the school response to bullying in line with our complaints policy.
 - ✓ Seeks to learn from good anti-bullying practice elsewhere.
 - ✓ Utilises support from the Local Authority and other relevant organisations when appropriate.

Responding to Bullying Concerns

- The following steps will be taken when dealing with any incidents of bullying reported to the schools:
 - If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.
 - The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate.

- The Designated Safeguarding Lead (DSL) in the relevant school will be informed of all bullying concerns as bullying is a safeguarding issue.
- The Federation Headteacher, Head of School (Designated Safeguarding Lead) or another appropriate member of leadership staff will interview all parties involved.
- A clear and precise account of bullying incidents will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.
- The school will speak with and inform other staff members, where appropriate. ▪ The school will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with child protection and confidentiality policies.
- Appropriate consequences and support, (for example as identified within the school behaviour policy and child protection policy), will be implemented in consultation with all parties concerned.
- If necessary, other agencies may be consulted or involved, for example the police if a criminal offence has been committed, or Children's Services if a child is felt to be at risk of significant harm.
- Where the bullying of or by pupils takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated and responded to in line with this policy, our Online Safety Policy and the school behaviour policy. If required, the DSL will collaborate with DSLs at other settings.

Cyberbullying

- When responding to cyberbullying concerns, the school will:
 - Act as soon as an incident has been reported or identified.
 - Provide appropriate support for the person who has been cyberbullied, and work with the person who has carried out the bullying to ensure that it does not happen again. ▪ Encourage the person being bullied to keep any evidence (screenshots) of the bullying activity to assist any investigation.
 - Take all available steps where possible to identify the person responsible. This may include:
 - ✓ looking at use of the school systems
 - ✓ identifying and interviewing possible witnesses
 - ✓ Contacting the service provider and the police, if necessary.
 - Work with the individuals and online service providers to prevent the incident from spreading and assist in removing offensive or upsetting material from circulation. This may include:
 - ✓ Support reports to a service provider to remove content if those involved are unable to be identified or if those involved refuse to or are unable to delete content.
 - ✓ Confiscating and searching pupils' electronic devices, such as mobile phones, in accordance with the law and the school searching and confiscation policy. (We will access the DfE [‘Searching, screening and confiscation at school’](#) and Childnet cyberbullying guidance to ensure that the school's powers are used proportionately and lawfully).
 - ✓ Requesting the deletion of locally-held content and content posted online if they contravene school behavioural policies.
 - Where an individual can be identified, the school will ensure that appropriate sanctions are implemented to change the attitude and behaviour of the child demonstrating bullying behaviour, as well as ensuring access to any additional help or support they may need. ▪ Inform the police if a criminal offence has been committed.
 - Provide information to staff and pupils regarding steps they can take to protect themselves

online. This may include:

- ✓ advising those targeted not to retaliate or reply.
- ✓ providing advice on blocking or removing people from contact lists.
- ✓ helping those involved to consider and manage any private information they may have in the public domain.

Generative artificial intelligence (AI)

- Artificial intelligence (AI) tools are now widespread and easy to access. Staff, pupils and parents/carers may be familiar with generative chatbots such as ChatGPT and Google Bard.
- Carlisle and Hampton Hill Federation recognises that AI has many uses to help pupils learn, but may also have the potential to be used to bully others. For example, in the form of 'deepfakes', where AI is used to create images, audio or video hoaxes that look real.

 - ✓ Recognise that bullying may be affected and influenced by gender, age, ability and culture of those involved.
