

Hampton Hill Junior School

Newsletter

2nd October 2026

Dear parents and caregivers,

What an exciting time it is at Hampton Hill Junior School right now! The children have settled beautifully into their new routines and year groups, and it's been wonderful to see them arriving each morning with enthusiasm and ready to learn. We also send a warm welcome to all new families who have joined us at HHJS since the beginning of September - thank you for putting your trust in us and allowing us to give your child the best possible educational experience we can offer.

I'd like to say a huge thank you to the families who have already donated cushions and plants to school in recent weeks. We continue to make the spaces and places around the school look as appealing and engaging to the children as possible and we thank you for playing a part.

Last Friday marked Teaching Assistant Appreciation Day and this coming Monday marks World Teachers' day. Across the school federation, I want to take this moment to highlight our amazing team of teaching and support staff who work so hard and care so deeply for every child. I'm sure you will join me in recognising the significant impact they have on children across both schools every single day. We couldn't do it without you!

Thank you to everyone who came along to our parent attendance workshop recently. If you weren't able to make it, please watch out for the recording that we will be emailing to you which explains our attendance approach clearly. You will also find information below showing our Attendance Award winners from last week. Furthermore, close to 200 children met have attended school 100% of the time for the month September - extraordinary! Attendance posters for all children will be coming home ready to make their way to pride of place on fridges and bedroom walls. The 100% club prize winners here at HHJS will be bringing this month's collectible home early next week. Well done in advance to those lucky winners!

Have a restful weekend

Rights Respecting Schools Poster Competition

In May this year, Mrs Di Biase shared the book 'We Are All Born Free - The Universal Declaration of Human Rights' in one of our whole school assemblies; this book taught us about the Articles of the UNCRC (United Nations Convention on the Rights of the Child) and shared beautiful illustrations from artists all over the world, created to help children understand the meaning of rights and to embrace these. As part of our ongoing journey towards the RRSA Silver Award at HHJS, Mrs Di Biase launched a poster competition, encouraging children to create their own illustrations. These have been celebrated in assembly at the end of last term and the standard was incredibly high! The eventual winners were:

3rd Place - Joanie and Rozafa

2nd Place - Neylani

1st Place - Isabelle

These fantastic posters will now be displayed around our school to help promote a continued understanding of children's rights, the UNCRC and how children can actively make use of these rights in school. Please do speak to your children about what they have learnt in school about the Articles of the UNCRC and share this link at home if you would like to know more:

Well done to everyone that took part!

Free Trial Lesson

Dear Parents,

I am hoping to reinstate the Brass Group at school next year. If any year 3 or year 4 pupils may be interested in learning to play the trumpet or baritone then please do let me know and I shall arrange for a free trial lesson next term.

Music has always been a popular and important part of life at Hampton Hill Junior School, so it would be fantastic to once again present some brass music for the summer and Christmas concerts next year.

If you think that your child may want to have brass lessons this term, or if you have any questions, then do contact me at mileage1969@yahoo.co.uk.

Kind regards,

Miles Maguire.
