

## Hampton Hill Junior School

### Newsletter

14th February 2026

As we approach the Spring half-term break, we're looking forward to the brighter mornings and longer evenings ahead – and hopefully some better weather too! We're delighted to welcome several new families who have joined our school community this term. Please do make them feel welcome if and when you see them around school.

Our Spring parent-teacher meetings will take place virtually in the first week back after half-term. These meetings are an important opportunity for you to discuss your child's progress and their next steps in learning. Please ensure you book an appointment with your child's class teacher – booking details have been sent separately, but please do contact the school office if you require any assistance.

Later this term, many of our parents and staff members will be taking part in the Hampton Court 10K and half-marathon events. If you'd like to support their fundraising efforts, please see the link below for more information:
