## Stop Crying Your Heart Out - Part 2

(Hold up)  
(Hold on)

**Don't be scared**  
**You'll never change what's been and gone**

(May your smile) **May your smile**  
**Shine on**  
**Don't be scared**  
(Your destiny may keep you warm)

**'Cause all of the stars have faded away**  
**Just try not to worry, you'll see them someday**  
**Take what you need, and be on your way**  
**And stop crying your heart out**

(Get up) **Get up**  
**Come on**  
**Don't be scared?**  
**Been and gone**

**'Cause all of the stars have faded away**  
**Just try not to worry, you'll see them someday**  
**Take what you need, and be on your way**  
**And stop crying your heart out**

(Someday you will find me caught beneath the landslide)  
(Today is gonna be the day that they're gonna throw it back to you)  
(By now you should have somehow realised)

**So, Sally can wait**  
**She knows it's too late as we're walking on by**

**'Cause all of the stars have faded away**  
**Just try not to worry, you'll see them someday**  
**Take what you need, and be on your way**  
**And stop crying your heart out**

**'Cause all of the stars are fading away**  
**Just try not to worry, you'll see them someday**  
**Take what you need, and be on your way**  
**And stop crying your heart out**

(Stop crying your heart out)

(Stop crying your heart out)

(Stop crying your heart...)

**So, Sally can wait**

**So, Sally can wait**

**Her soul slides away**

**Her soul slides away**

**But don't look back in anger**

(You're my wonder) **Don't look back in anger**

**I heard you say**
