

# Remember When...

## Never Forget – Part 3

**We've come so far  
And we've reached so high  
And we've looked each day and night in the eye  
But we're still so young  
And we hope for more**

(We've come a long way)  
(But we're not too sure where we've been) **Do do do**  
(We've had success) **Do do do**  
(We've had good times) **Do do do**  
**But remember this**

(Been on this path of life for so long)  
**Feel I've walked a thousand miles**  
(Sometimes strolled hand in hand with love)  
**Everybody's been there**

(With) **Do do do**  
(I would stand) **Do do do**  
(line of hope) **Do do do**  
(And I knew) **Do do do**  
(Once) **Do do do**  
(I looked into the clouds) **Do do do**  
(and saw) **Do do do**  
(My face in the moonlight)

**Where are you?  
Don't hide from me  
You're safe, I'm with you  
Follow me and...**

**Never** (forget where you've come here from)  
**Never pretend that it's all real**  
**Someday** (soon this will all be someone else's dream)  
**This will be someone else's dream**

(Safe from the arms of disappointment for so long) **Do do do**  
(Feel each day) **Do do do**  
(we've come too far) **Do do do**  
(Yet each day) **Do do do**  
(seems to make much more) **Do do do**  
**Sure is good to be here**

**Understand the feeling**

**Join me now**

**Together we will...**

**Never** (forget where you've come here from)

**Never pretend that it's all real**

**Someday** (soon this will all be someone else's dream)

**Whoa---**

**Do do do** (We've come so far)

**Do do do** (and we've reached so high)

**Do do do**

**Day and night**

**Do do do** (and night in the eye)

**Do do do** (And we're still so young)

**Do do do** (and we hope for more)

**But remember this**

**We're not invincible**

**We're not invincible**

(We're not invincible)

**We're only people**

**We're only people**

**Yeah, we're not invincible**

(We're not invincible)

**Yeah, we're not invincible**

**So now I'll tell you**

**Never** (forget where you've come here from)

**Never pretend that it's all real**

**Someday** (soon this will all be someone else's dream)

**This will be someone else's dream**

**Never** (everybody sing, oh hear me)

**Never, no never, never forget**

**Someday** (louder, louder, louder, loud loud)

**Uh-o uh-o**

**Never. Everybody sing that song**

**Never** (louder, louder, louder, loud loud)

**Someday, soon this will all be someone else's dream**

**This will be someone else's dream**

**We've come so far and we've reached so high**

**And we've looked each day and night in the eye**

**But we're still so young and we hope for more**
