

Chess Club at Hampton Hill Junior School

Spring term 2026

We would love to welcome you to our lunchtime chess club.

Chess is more than a game. It helps children think, solve problems and plan. Chess can improve concentration and focus, boost memory ability and patience. Chess is creative and strategic. Children learn how to cope under pressure and build ambition.

But it isn't all about winning! Learning to cope with the disappointment of losing, and growing determination to learn from failure and keep trying, is a valuable life skill.

Join us! Log onto: www.chessmates.club

Or email: chessmateschessclub@gmail.com

The cost for the 10-week Spring 2026 club term is £120.

The chess clubs run at lunchtime Monday - Thursday. The day allocated is advised to you at the start of term, and depends on what's most appropriate for the school diary for your child's class. We aim to avoid clashes with playground activities and we aim to let good friends learn chess together. Use the on-line joining form to let us know wishes or needs to take into consideration. Chess club at HHJS gives an opportunity to make chess friends across all year groups. The groups are jumbled every term to give fresh opposition and a new dynamic to each group.

Chess club is termly and no places are carried forward. Each term everyone applies again if they are keen to continue. Apply as soon as you can to secure a Spring term 2026 place.
