

Chess Club at Hampton Hill Junior School

Summer term 2026

We would love to welcome you to chess club at HHJS.

Chess is more than a game. It helps children think, solve problems and plan. Chess can improve concentration and focus, boost memory ability and patience. Chess is creative and strategic. Children learn how to cope under pressure and build ambition.

But it isn't all about winning! Learning to cope with the disappointment of losing, and growing determination to learn from failure and keep trying, is a valuable life skill.

Join us! Log onto: www.chessmates.club

Or email: chessmateschessclub@gmail.com

The cost for the 10-week Summer 2026 club term is £120.

The chess clubs run at lunchtime Monday - Friday. The day allocated is advised to you at the start of term. Use the on-line joining form or email us to let us know wishes or friends to take into consideration. The groups are jumbled every term to give fresh opposition and a new dynamic to each group.

In addition to the lunchtime clubs there is also an on-line chess club that takes place on Friday after school over Zoom. If that is of interest, enquire and we will tell you more!

Chess club is termly and no places are carried forward. Each term everyone applies again if they are keen to continue. Apply as soon as you can to secure a Summer term 2026 place. We hope to hear from you!
