General Guidance

Policy Statement

The Carlisle and Hampton Hill federation is committed to achieving the highest possible standards of service, including honesty, openness and accountability, and recognises that employees have an important role to play in achieving this goal.

Any of us may at one time or another have concerns about what is happening at work. Often these concerns are easily resolved. However, where your concern involves, for example, a danger to the public or colleagues, illegal practice, misconduct or financial malpractice, it can be difficult to know what to do.

You may be worried about raising such an issue, perhaps feeling it's none of your business or that it's only a suspicion. You may feel that raising the matter would be disloyal to colleagues, to managers or to the federation. You may have already said something but found that you have spoken to the wrong person or raised the issue in the wrong way and are not sure what, if anything, to do next.

The federation has introduced this policy to enable everyone to blow the whistle safely when appropriate so that such issues are raised at an early stage and in the right way. The federation welcomes your genuine concerns and is committed to dealing responsibly, openly and professionally with them. Without your help, we cannot deliver a safe service and protect the interests of our school communities. If something is troubling you which you think should be looked into, do not wait for proof, raise the issue using this procedure.

If, however, you are aggrieved about issues relating to your employment, please use the Grievance Procedure.

Purpose of this Policy

The purpose is to:

- Encourage the Whistleblower to feel confident in raising concerns
- Provide the Whistleblower with a confidential method of raising concerns
- Ensure the Whistleblower receives a response to their concerns and if not satisfied, is aware of how to take the matter further
- Reassure the Whistleblower they will be protected from reprisals or victimisation for Whistleblowing in good faith

This Whistleblowing procedure is primarily for concerns where the interests of others or of the federation are at risk.

This policy forms part of the Code of Conduct for employees

Definitions

The Carlisle and Hampton Hill Federation has a range of policies and procedures, which deal with standards of behaviour at work; they cover, for example, discipline, grievance, discrimination, harassment and bullying, and recruitment and selection. Staff are encouraged to use these procedures when appropriate.

This policy is a means to deal with serious or sensitive concerns about matters such as the following:

- Fraud or financial irregularity
- Corruption, bribery or blackmail
- Failure to comply with legal or regulatory duty or obligation
- Malpractice or abuse of a client including improper discrimination or relationships with clients
- A miscarriage of justice.
- Endangering the health and safety of any individual or individuals.
- Endangering the environment.
- Unethical or improper conduct or conduct which breaches federation policies or falls below the standards which the federation subscribes to e.g. breach of codes of conduct or Financial Regulations/Contract Standing Orders.
- Serious maladministration arising from the deliberate commission of improper conduct.
- Showing undue favour over a contractual matter or to a job applicant
- Concealment of any of the above

The policy does **NOT** apply to the following:

- Relationships between employees and their managers within the federation for which harassment, bullying and other dispute procedures are more appropriate
- Concerns or complaints by members of the public to which the Federation Complaints Procedure would apply

Who is covered by the Procedure?

- An employee of the schools
- Agency staff, trainees and self-employed staff employed on federation work
- The staff of contractors employed on federation work
- Partner agencies
- The School Governing Body

Our Commitment to You

1. Your Protection

The federation is committed to this policy. If you raise a genuine concern in accordance with this policy, you will not be at risk of losing your job or suffering any form of retribution as a result. Provided you are acting in good faith (honestly), it does not matter if you are mistaken or if there is an innocent explanation for your concerns. You will not be asked to provide proof. Of course, this assurance is not extended to someone who maliciously raises a matter they know is untrue. Disciplinary action will be taken against employees who knowingly make false allegations.

2. Your Confidence

The federation will not tolerate the harassment or victimisation of anyone raising a genuine concern. If you are anxious you can ask to talk to someone in private and if you ask us not to disclose your identity, we will consider this carefully with you first. Your identity may need to be shared with other senior officers and/or members during the investigation, but you will be told if this is the case. If the situation arises where we are not able to resolve the concern without revealing your identity (for instance because your evidence is needed in a disciplinary procedure or in court), we will discuss with you whether and how we can proceed.

3. Anonymous Concerns

If you do not tell us who you are it will be much more difficult for your concern to be investigated and for us to protect your position or give you feedback. Accordingly, while we will consider anonymous reports, we cannot use this policy to investigate concerns raised anonymously.

WHAT YOU SHOULD DO

1. The Normal Procedure

These notes explain what you need to know and the steps you should take if you have any concerns.. Also see **Appendix 1** "How to Raise Concerns".

The federation encourages the Whistle blower to raise their concerns internally in the first instance. This allows the relevant officers to properly investigate those concerns and take relevant action where necessary.

- As a first step, you should normally raise concerns with your line manager or Head of School

The initial disclosure should be made:

- Wherever possible, in writing
- Otherwise orally, by telephone or face to face in a meeting with your line manager or Head of School

You should provide as much supporting evidence as possible. The earlier the concern is expressed and the more information you can provide, the easier it is to investigate and for appropriate action to be taken.

Where a disclosure is made under the Whistleblowing Policy, full details of the allegations will be recorded and passed to the federation headteacher or chair of the governing body.

Where you make a disclosure, you are encouraged to give details of your identity. Anonymous disclosures are more difficult to investigate. Where you do provide your identity, this information will not be passed on without your express consent.

The federation acknowledges the difficulties in raising concerns and as such, a trade union representative or work colleague may raise the matter on your behalf (where you are the Whistleblower), accompany you when making the allegation or may accompany you in meetings where the allegation/s is discussed.

2. Taking it Further

If these steps have been followed but have not worked or you feel the matter is so serious that you cannot discuss it with any of the above, please contact one of the following:

- The Council's Monitoring Officer on 020 85453338
- If your concerns involve potential fraud or criminal activities the Council's Fraud Line on 0800 389 9795

3. Referral outside the Council

While we hope this policy gives you the reassurance you need to raise such matters internally, we recognise that there may be circumstances where you can properly report matters to outside bodies, such as regulators or the police. Public Concern at Work, or, if applicable, your union, will be able to advise you on such an option and on the circumstances in which you may be able to contact an outside body safely including:

The Health and Safety Executive
The Audit Commission
The Environment Agency
The Serious Fraud Office
HM Revenue and Customs
The Department for Business, Innovation and Skills
The Charity Commission
The Information Commissioner

The federation stresses that you should raise concerns internally first, but the law also provides for you to make a wider disclosure (which could include to the police or an MP) **if, and only if:**

- The matter is exceptionally serious
- You are reasonably afraid that you would be victimised
- You believed reasonably that there would be a cover up and there is no prescribed person, or
- The matter was raised internally or with a prescribed person but was not dealt with properly

ADVICE AND ASSISTANCE

1. Role of Trade Unions

The federation recognises that employees may wish to seek advice and to be represented by their trade union officers when using the provisions of this policy. A number of Trade Unions have issued guidance on 'whistleblowing', and the federation acknowledges and endorses the role trade union officers play in this area.

2. Independent Advice

You may also wish to contact Public Concern at Work (<http://www.pcaw.co.uk/>), a charity working in this area which can provide free and confidential advice, telephone 020 7404 6609, or e-mail helpline@pcaw.co.uk.

THE PROCESS EXPLAINED

1. How the federation will deal with the matter

Once you have told us of your concern, it will be reported to the headteacher or chair of governors who will refer the case to a Designated officer for assessment. The Designated officer will make an initial assessment as to what action should be taken. This may involve an informal review, an internal inquiry or a full investigation.

The initial assessment may identify the need to involve third parties, such as the Police. Concerns or allegations which fall within the scope of specific procedures (e.g. child protection, health and safety or discrimination issues), will normally be referred for consideration under those procedures.

The Designated officer will offer to interview you in confidence no later than 3 weeks after receipt of the disclosure and referral. You may be accompanied by a Trade Union representative or work colleague. An interview may not be necessary if the designated officer was the officer to whom the initial disclosure was made.

The purpose of the interview is for the designated officer to obtain as much information from you as possible and to consult you on the further steps which could be taken

Within 4 weeks of the interview, or 4 weeks of the initial disclosure where an interview does not take place, and after consultation with the head teacher or chair of governors, the Designated officer will determine their recommendations as to the further steps to be taken. These may include:

- A report to the Police or other appropriate authority;
- Investigation by the Internal Audit and its Corporate Anti-Fraud Team (this will be the usual course where there are allegations of financial irregularities or corruption.
- A full investigation either internally by the federation or externally
- Action under the federation's grievance, disciplinary, harassment and bullying or complaints procedures;
- Referral for consideration under other specific procedures (e.g. child protection);
- No further action (see below).

The Designated officer may recommend that no further action is taken based on the following:

- Where they are satisfied that there has been no malpractice

- If they determine that the disclosure was not made in good faith i.e. that the disclosure was wilfully malicious. In this situation, the case may be referred for disciplinary action
- If the matter concerned is already the subject of legal proceedings, has been referred to the police or other public authority
- If the matter is already, has been or should be the subject of proceedings under one of the Council's other procedures relating to staff

The Designated officer's recommendations will be made to the federation headteacher or chair of governors who will decide whether or not they agree with them. Any recommendations will be made without revealing your identity (as Whistleblower) except in exceptional circumstances (see below).

Once it has been agreed what further steps (if any) should be taken, the Designated officer will inform you of the decision and where no further action is proposed, reasons for this decision will be made to you in writing.

Subject to legal constraints, you will be informed of the outcome of any investigations; however, you will not be provided with specific details of any disciplinary action, which will remain confidential to the individual(s) concerned.

Any document, report or recommendation prepared by the Designated Officer in relation to your disclosure will not identify you unless:

- You have consented to this in writing
- There are grounds to believe you have acted maliciously
- Where the Designated officer is under a legal obligation to do so
- Where the information is already in the public domain
- On a strictly confidential basis to a professionally qualified solicitor for the purpose of obtaining legal advice

The Designated officer will ensure that all information in relation to your disclosure is kept securely and access to it is restricted.

2. If you are dissatisfied

While the federation cannot guarantee to respond to your report in the way in which you might wish, we will handle the matter fairly and properly. By using this procedure you will help us to achieve this. If you are dissatisfied with the response you can raise the matter with the other levels and bodies set out in the Policy.

IN SUMMARY

DO

- Make an immediate note of concerns which fall within the scope of this policy
- Note all relevant details, such as what was said, the date, time and names of the people involved
- Let someone know about your suspicions.
- Deal with the matter quickly. Any delay may allow the problem to continue or worsen

DON'T

- Do nothing.
- Be afraid of raising concerns.
- Approach or accuse individuals directly.
- Try to investigate the matter yourself.

IF IN DOUBT – RAISE IT!

The Federation Headteacher's Role

It is the Federation headteacher's responsibility to ensure that employees are made aware of the policy and they are given an opportunity to raise any questions about its operation. The policy also applies to agency staff, others working for the federation and volunteers, who must all be made aware that the policy is also available to them.

All concerns must be looked into and the employee(s) told the outcome. Where a concern is raised directly with you and it is not appropriately dealt with through other Council policies or procedures, you must report the disclosure to the chair of the governing body and decide who will be the designated officer responsible for dealing with the disclosure. This may be you as you were in receipt of the original disclosure however the chair of the governing body may decide that an independent officer may be more appropriate depending on the nature of the concern.

Where you are the designated officer, you must interview the employee (Whistleblower) within 3 weeks of receipt of the disclosure and referral. Where you were in receipt of the original disclosure you may already have undertaken an interview when the disclosure was first made. You may decide that a further interview is not required.

The purpose of the interview will be for you to obtain as much information from the Whistleblower as possible and to consult them on the further steps which could be taken

Within 4 weeks of the interview, or 4 weeks of the initial disclosure where an interview does not take place, and after consultation with the chair of governors you will make recommendations as to the further steps to be taken and notify the Whistleblower accordingly. Where no further action is to be taken, you must inform the Whistleblower of this decision in writing.

As designated officer, you will be responsible for informing the Whistleblower of the outcome of any investigations or further action taken. Any information provided to the Whistleblower may be subject to legal constraints and therefore must be agreed in advance.

This Policy is based on the view that openness and accountability is the ideal. However, where circumstances make it necessary, the matter may need to be dealt with under terms of strict confidentiality. This could include not informing the subject of the complaint until (or if) it becomes necessary to do so.

If the decision is made to take formal disciplinary action against the subject, they must be informed of the complaint against them.

WHAT YOU SHOULD DO

Make sure you are aware of the procedure to follow:

- Where a concern is raised (and cannot be dealt with appropriately through another Council policy or procedure), it must be reported to the federation headteacher or chair of governors
- All concerns should be recorded, including the date the concern was raised, dates of interviews with employees, who was present at each interview and the action agreed
- The records should be kept safely and securely; they may be required for disciplinary action or criminal investigation
- Should any criminal activity or fraud be suspected, the Police should be involved
- The chair of the governing body would also expect to be alerted

Action must be taken to protect the employee raising the concern from acts of recrimination. School leaders should not wait for victimisation to take place before taking such action.

IN SUMMARY

DO

Be responsive to staff concerns
Note all details
Evaluate the allegation objectively
Advise the appropriate officer
Deal with the matter promptly

DON'T

Ridicule suspicions raised by staff
Approach or accuse any individuals directly
Convey your suspicions to anyone other than those with the proper authority
Try to investigate the matter yourself.

Corporate, Recording, Monitoring and Review of Whistleblowing

The Federation headteacher will maintain a register containing all concerns that are brought to their attention. Senior leaders (Heads of School/School Business Manager) looking into the concern must ensure that the Federation headteacher is provided with sufficient details of the concerns for the register.

The Federation headteacher will review the register and produce an annual report to the chair of governors. The report will not mention any employees, only the concerns raised, the number of such concerns and highlighting any subsequent outcome(s).

This policy will be reviewed annually by the governing body.
